

UMass Cold Spring Orchard Cherry Harvest

Date 7/7/2011
Cultivar/selection Regina
Rootstock G.5 ?
Cracking nil
Yield medium-heavy
Fruit shape heart
Skin color medium-dark red
Stem length long
Fruit weight grams 8.0
Row size
Flesh color orange-red
Juice color red
Soluble solids 17.5

Comments very nice, a little small, heavy crop for Regina; just about right; near 4 on Guyer scale; very little (if any) cracking
