**Lake Erie Regional Grape Research  
& Extension Center**  
662 N. Cemetery Rd  
North East, PA 16428

In-depth educational training sessions to demonstrate airblast sprayer calibration will be held the week of June 20 at three locations in Pennsylvania. George Hamilton, University of New Hampshire Cooperative Extension, Agricultural Resources Extension Educator, assisted by Steve Gatcombe, will present an informative hands-on airblast calibration demonstration applicable to both small and large scale commercial farming operations. **Five pesticide recertification core credits have been assigned for these meetings.**
